Hello...

... and welcome to the Beyond the Seals.

Once again, the "Convent of the Elements" will be hosted by the Seal of the West and, with lots of entertainment and culture, will once again make the convention an experience.

A war lies behind us, an uncertain future ahead. But one lives only once. And so the Convention is a very welcome time for diplomacy, reflection and life. And pompfball!

No matter what the future brings - it is good to be able to rely on one thing. As the legendary (former) mayor and long-time protégé of Holzbrück, Antonio Maria de la Tiroli, once said:

1. Arrive in flocks. And don't forget your gold! With the elements, don't forget the gold!

2., enjoy our attractions: Stands and guilds, taverns and tubs!

3. Fight in the arena! No one should truly call himself a man who has not even fought in the notorious Ravenschrey Arena!

4. Womenfolk are welcome to do that too. Also versus men. Every blood is of the same red!

5. Visit the Convent of the Elements - this year under the patronage of the Nyame and Archon of the West!

6. Visit the Khal'Hatra-Tavern and the Razash'Dai tribe. Visit Naldar, Edalphi, Narech Tuloch, Sephor'Assil, Tivar Kharassil, Blütenthaler and Tragants. Bring food!

7. pay your respects to our honourable mayor Thomas Breitenstein or contest his office!

8. Keep your fingers where they belong - and that is not in the display of the traders, no matter what the voices whisper to you!

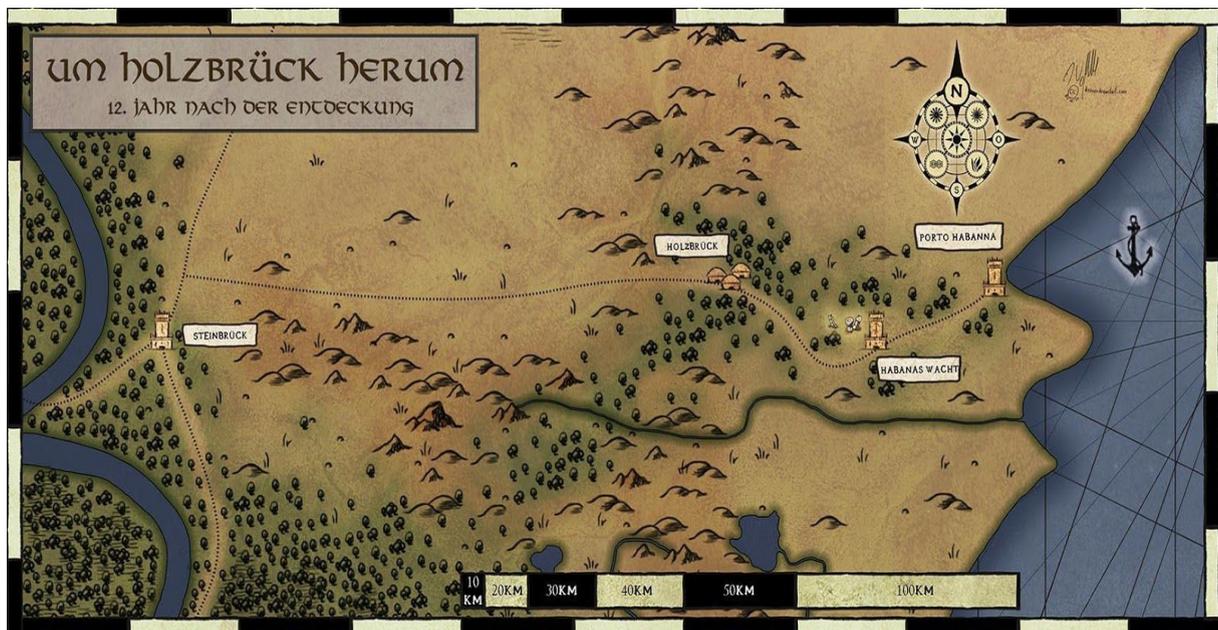

9. visit the camps of the Seals, of the Märkischer Bund and the Seal Free camps and cities - admire the cultural peculiarities from all four directions and be amazed at what Mythodea has to offer!

Yours Antonio

The Setting

The travelling fair is only a memory and the Holzbrück settlement has turned into a prosperous, small town. Some old relationships and habits have been adopted, but also many new opportunities and fields of activity have opened up. The market for land acquisition and new buildings is flourishing and the town council is always looking for new investors.

Holzbrück (the same place as the last years) is therefore a growing town located in the free sea trade area inland from Porto Habana. It is situated in densely wooded hills directly on the large road of the maritime trade guild, which connects Porto Habana with the Way of the Cross and from there leads to the west, as well as to Shan Meng Ray. The easiest way is either by boat via the harbour of Porto Habana (3 day trips away) or via the Aeris Portal of Habanas Wacht (2 day trips away).

Individual character plot

Some already know our concept of small, individual character plots from the chronicle, on which we have implemented this for several years. Also at the JDS we have prepared a lot of small plots, which can offer an introduction to bigger stories or just some fun.

To make the distribution fair (and because it somehow fits better to the JDS) the plots are raffled off! Everyone receives a ticket at check-in in which either the "Niete" (loser) or a number.

Who has drawn a number may later report to the HQ or SL-tent and exchange their ticket for a small letter with further information for the start of the game. Everything else results from this letter.

Important: You can pass on both a prize ticket and a drawn note to another player before the game starts, but you should then not make use of the information contained in the game yourself! After starting the game a transfer of the plot is no longer allowed.

In this sense: Have fun with it!

"LARP mit!"

There is absolutely no reason not to point out this year at least as loudly and clearly that the Beyond the Seals (just like the ConQuest) is a LIVE ROLL GAME. This means: We expect a few basic things from all participants.

You are the LARP! So please try to carry and promote the game with everything you do, instead of disturbing or interrupting it.

A nice presentation and the fun of playing should be in the foreground for everyone, not the personal ambition.

Play along! Respond to your fellow players and respond to their game offers; nothing is more frustrating than reacting to an "insinuation" only OT or not at all.

One of these points is that everyone who comes to the con as a player or NPC knows at least the most basic things about the world and the place - like exactly how his/her character got to this fair or the convent. This also includes a fundamental familiarity with the rules and regulations. Detailed information on both can be found on our website (www.live-adventure.de).

Accommodation, food and firewood

Accommodation is in our own tents. We calculate with 15m² storage area per person, please remember this during your planning.

The Con is a self-catering con.

Wednesday, Thursday, Friday and Saturday from 8:30 a.m. you can buy fresh boehmel (rolls, rolls, cribs, Weggla, etc.) directly at the tavern, as long as stocks last.

The price is 50 cents per boehmel.

We have enough firewood on site, which we sell via the tavern for 15,00€ per tub. Fire may be lit in designated fireplaces or in self brought fire bowls (at least 15 cm above the ground!), at a sufficient distance from the forest or bushes.

Sanitary

We have erected a permanent building with toilets and showers and additionally two shower containers and a toilet container.

We will also set up mobile toilets in the more distant campsites.

You can wash dishes in the sinks near the sanitary building (please do not wash in the normal sinks or showers!).

Dogs

All dogs must be registered for the "Beyond the Seals". For this purpose we have set up a dog ticket in the ticket shop. This ticket costs 10,00 €. The dog must be checked in with the e-ticket at check-in.

On the "Beyond the Seals" there is absolute muzzle and linen duty! In case of non-compliance, the dog owner can be expelled from the event with the dog.

Check-In

The Orga - Check-In will take place on Wednesday from 10:00 o'clock directly at the entrance to the area. Please have your e-ticket ready at the entrance so that the check-in can take place quickly and smoothly.

IMPORTANT: To speed up the check-in and check-out process, print a sign with the name of your camp on Din A4.

Place this clearly visible in the windshield.

So our team members can already see which camp you have to go to and can brief you accordingly.

Pay at the entrance

If you want to come spontaneously to the "Beyond the Seals 2019" without registering, you are welcome to do so. We still have plenty of room.

The ticket at the entrance is 10,00 € to the last graduated price.

early arrival

Early arrival is possible from Tuesday, 18 June 2019, from 15:00 - 22:00. The early arrival fee is 15,00 € per person. Participants from 0 to 6 years do not have to pay anything. Participants from 7 to 13 years pay 5,00 €. Early arrivals do not need to register and only pay on site directly at check-in.

Parking

Outside the grounds there are designated parking areas where you can leave your cars during the event. There are no parking fees and you can of course pick up your car at any time to go shopping.

The use of the designated parking areas is at your own risk. The organizer assumes no liability. The parking areas are not monitored. The parking areas are located directly on the edge of a water conservation area. We therefore urge you to check your vehicles for any leaking liquids.

Check-Out

In order to pick up your car from the parking lot, your campsite must be clean and tidy and all your luggage must be ready packed in the unloading area. Then you can pick up a stamp from an SL on the back of your hand so that you can drive your car to the area.

A large waste container is available near the sanitary area for waste disposal. Please remember to bring your own garbage bags.
